

The Sierra Sweethearts

Bluegrassy, swingy, fiddley fun!

Since 2014, the Sierra Sweethearts have been bringing their eclectic blend of Bluegrass, Cowgirl, Classic Country and Doo Wop music to historic locales throughout northern Nevada and California.

Amargosa Opera House, Piper's Opera House, the Mizpah Hotel, Seaman's Lodge, the Dini Cultural Center, Henfling's Tavern, the Goldfield Opera House, Tonopah Arts Center and many more.

The Genoa Cowboy Festival, Bowers Mansion Bluegrass Festival, the Western Heritage Days and the Susanville Bluegrass Festival were "regular" events on our calendar before Covid.

We've had lots of time to practice and learn new tunes during the Covid months, and we're rarin' to get going again!

We LOVE to play weddings and Barn Dances, too! We can bring everything needed for these events – sound system, canopy for outdoor events, Old Time dance band (US!) and a dance caller.
